## INTERNATIONAL ARTISTS SPONSORSHIP

Our valued support from Musica Viva has enabled us to bring international artists to Coffs Harbour who would normally only play in our capital cities. Increases in overseas artists' fees and expenses, when combined with plateauing government and corporate funding for Musica Viva's CountryWide programme mean we have been limited in our ability to present such artists. For this reason we are seeking donations to a special fund to help meet the cost of bringing international performers to Coffs Harbour. A box is included below for those who may wish to assist us in this endeavour. All donors will be acknowledged in each programme for the 2017 season.
